

LYSEO 744 - FIAT 2.3 150

The modern low-frame chassis and the clever positioning of the decals disguise the fact that the new Lyseo boasts about 205 cm of headroom on the inside. Everywhere you look, you experience more freedom, greater comfort and better ergonomics. The Lyseo T is available in all models exceeding 6.0 m and also comes with an optional fold-down bed above the middle seating area.
