

IXEO 640 - FIAT 2.3 130

Invented by Bürstner, semi-integrated models with a fold-down bed have become the best-selling class of motorhomes in Europe within a very short time. And with good reason: never before could up to six people enjoy an unlimited sense of comfort and well-being in a compact motorhome. You can choose between the widthwise fold-down bed in the Ixeo time or the new lengthwise fold-down bed in the Ixeo. Both fold-down bed designs can be lowered by an electric control. The bed lowers right down to about seat height, making it easy to get in and out of the bed. Whichever version you choose, you can be assured of maximum comfort.
