

## IXEO 680G

An Award Winner - The Ixeo was the first semi-integrated motorhome to feature a fold-down bed and set new standards in its field. The evolution of the fold-down bed from the widthwise version to the lengthwise option brings entirely new possibilities. It still cuts a striking profile proudly retaining its best known design feature and distinguishing characteristic. Under 7m with a fixed bed, spacious lounge, well equipped centre kitchen, toilet and shower across the rear and garage.
